Grace Tells Another Story

Twentieth century theologian E.L. Mascall grasped a truth that some never get. In discussing the difference that Jesus makes in a life he said, "The Christian is a man to whom something has happened." I'll say! In the words of the Apostle Paul, "*Everything is new*" (2 Cor 5:17). And since this is true, one of the most telling sign of "new" that announces "something has happened in me" is the presence of and the way the grace should show in us. Let's learn of grace again... and discover in new ways why it is so amazing!

- Describe as you would to a stranger what has happened to you since meeting Jesus.
- Did the word grace make it in to your answer?
- In your own words, can a Christian miss out on the grace of God? (See Hebrews 12:15)
- Read every scripture you can find about grace in the Bible. Share your depiction of grace.
- God described himself as *gracious* (Ex. 34:4-7), if you described yourself the same way would it be accurate? Give examples.

Digging Deeper in God's Word

Heb 12-15; 2 Cor 6:1; Gal 5:4; Exodus 34:4-7; John 1:14-16; Acts 9:1-22; Gal 2:20; Titus 2:11; Eph 2:8-9
